## EDUCATION

University of California, Irvine, CA  
Bachelor's Degree in Computer Science

GPA: 3.43/ 4.0  
Expected Graduation: June 2025

## TECHNICAL SKILLS

- **Technologies:** Python, C++, C#, Java, Javascript, Golang
- **Frameworks:** React.js, Node.js, Express.js, Reflex
- **Tools:** Github, Visual Studio Code, Ubuntu, Clion, Roblox, Unity

## WORK EXPERIENCE

**theCoderSchool** Pasadena, California  
**Coding Mentor** August 2022 - October 2022

- Achieved exceptional results by mentoring students through summer coding programs such as **Python**, **C++** and **C#**, enabling immersive hands-on learning experiences.
- Spearheaded the development of innovative projects within **Unity** and **Roblox Studio**, elevating student engagement and advancing coding proficiency.

**International Student Center** Pasadena, California  
**International Peer Leader** August 2022 - May 2023

- Employed problem-solving skills to provide timely solutions, optimizing a smooth and successful experience for international students.
- Acquired proficiency in leadership, effective communication, and teamwork, enhancing the ability to nurture the next generation of leaders.

## PROJECTS

**Website Portfolio** | <https://billsusanto.github.io/> Los Angeles, California

- Overcame challenges in crafting an interactive portfolio using Javascript, React.js and Node.js, showcasing my journey through creative coding and innovative projects.
- Established a collaborative platform for discussions, identifying opportunities, and scheduling meetings.

**Billybot** | <https://billybot-iota.vercel.app/> Los Angeles, California

- Designed and developed an AI chatbot, offering information about my achievements and contributions.
- Back-end built using Express.js leveraging OpenAI's API to create an intelligent chatbot.

**CocoaPods** | <https://cocoapods.reflex.run/> Los Angeles, California

- Leveraged Reflex framework to enhance CocoaPods' UI/UX, resulting in streamlined navigation.
- Utilized prompt engineering alongside Gemini AI to parse through podcast content, facilitating personalized recommendations.
- Integrated Supabase for database management, optimizing data storage and retrieval processes.

## LEADERSHIP

**PERMIAS** Pasadena, California  
**Tech Director** September 2022 - August 2023

- Designed and created an interactive social website using HTML and CSS, fostering a vibrant online community for members.
- Pioneered the development of interactive surveys for diverse club events, enhancing feedback collection.

**Singapore's National Service** Singapore, Singapore  
**Commando Specialist** January 2020 - November 2021

- Led initiatives that secured the prestigious recognition of "2021 Best Combat Unit" within the entire Singapore Armed Forces.
- Demonstrated exceptional leadership as Company Sergeant Major, ensuring rigorous adherence to company discipline and routines.
